

**HUNG N.HUU**

QUALITY CONTROLLER

## PROFILE

The very first impression that you can find on me is the unlimited energy of working. Also, I'm a creative man and a funny guy, too! From the end of 2018, I've been working as role tester in 2 companies. Now, I'm looking for a new challenge in another company, which could bring me to the next level that I'm heading to.
